CALL FOR PAPERS

TEDI Journal **invites submissions** for its upcoming issues. As an open-access e-journal dedicated to advancing knowledge in digital innovation, emerging technologies, and evolving geopolitical dynamics, TeDi Journal is committed to fostering intellectual collaboration and disseminating groundbreaking research.

Edited and published by Te|Di, the journal adheres to a **rigorous double-blind peer review** process, ensuring the highest standards of academic excellence.

Submissions from scholars, researchers, and professionals across disciplines that explore the intersection of technology and society are welcome.

Topics of interest include, but are not limited to:

- *Digital innovation and transformation;*
- *Emerging technologies and their societal impact;*
- *Geopolitical dynamics in the digital age;*
- *Cybersecurity and data protection;*
- *Technological advancements in various industries;*
- *Policy and regulatory challenges in technology.*

Manuscripts should offer original research, theoretical insights, or practical case studies that contribute to the understanding and advancement of these critical areas. Submissions will be reviewed based on their relevance, originality, and contribution to the field.

Manuscripts should be formatted according to the TEDI Journal submission guidelines, available on the Te|Di website, and should be sent at **redazionetedijournal@gmail.com**.

Join us in shaping the future of digital innovation and technology.
